MESSAGE FROM THE POTENTATE

Nobles and Ladies,

As most of you already know, your graceful Potentate fell at the last gun show and cracked two ribs and broke his left arm. I appreciate all the well wishes. Everything is getting better, but when you're old it takes a while.

We had another great Ceremonial in July. There were 18 scheduled to be initiated, but only 13 came. The others will hopefully be at the October cold sands class. We welcome all the new Shriners and their families. I hope we see all of them at our meetings and functions.

Our Margaretville Party was not well attended, but everyone there had a great time. If you don't participate you miss out on a lot of fun and fellowship.

The Circus was really fun this year. The kids, and the adults, had a great time. This year's show was a little different than last years, and if Stan has it in 2012 it should be even bigger and better.

Very few attended the Southeastern in Louisville this year. I didn't get to make it because of my old broken up body, but CR Stan and the other Reps represented us well. Next year the Southeastern will be in New Orleans. Make your plans now; it should be a lot of fun.

Buckmasters was a big success for us this year. CR Stan had some good salesmen selling those Gun Giveaway tickets. Even without the Hooters Girls we sold \$4,500 worth of tickets during those three days. I hope everyone else is selling tickets and turning the money in so we can get it deposited and be able to pay for the guns.

Be sure to check the calendars in the *Noble* and make your plans to participate. We still have a lot going on and need you to participate.

As always, if Kay or I can help you with anything, please call.

Yours in the Faith,
Flayvous Ray, P.P., Potentate

Shriners Make the World a Better Place

STAN SMITH,
CHIEF RABBAN

Greetings Nobles,

There are a few fundraising events that have done very well so far this year. The Alcazar Shrine Circus was well attended and the profit to the Temple will exceed that of last year. Thanks

to all who helped make it a success.

Our Sportsman's Giveaway ticket sales netted a good profit at the annual Buckmasters Expo. Thanks to the volunteers who worked the three day event. The Sportsman's Giveaway may be over by the time this issue is received, however, we are hoping for another great year.

People were hauling peanuts away from the Crenshaw County peanut boil by the car load again this year. Those guys worked hard to cook and sell twenty-five tons of peanuts. Their contribution to the Alcazar Temple is greatly appreciated.

The Southeastern Shrine Association held in Louisville, Kentucky was not a big attraction for the Nobles of Alcazar this year. The Divan/Representatives who attended were honored to have the Nomads come and drive us in the parade. Plan to put your party hats on because the SESA will be in New Orleans, Louisiana next year. The parade will be in the French Quarter and it would be great to see some Alcazar vehicles there.

Our Fall Ceremonial will be Saturday the 22nd of October. At this point in time we only have five candidates. We have had two great classes prior to this one and it would be wonderful to match the number of new Nobles we have created so far this year. The Imperial Potentate is offering a special incentive for top line signers. All top line signers are entitled to receive a special lapel pin in recognition of their efforts to increase membership.

Other events of interest to round out the year are:

The Pike County Fair – October 11th – 15th

Iron Bowl Party – November 25th

Temple Christmas Party – December 3rd
Children's Christmas Party – December 4th

One can tell by these dates that the holiday season is coming soon. I hope that everyone has safe travels to Temple and family events during this time.

Yours in the Faith,
Stan Smith, Chief Rabban

PAUL B. MANN,
ASSISTANT RABBAN

Greetings,

We would like to introduce Noble Chad Ogletree as the new Editor-in-Chief of the Alcazar Shrine *Noble News*. He was a unanimous choice of your elected Divan and will

be our focal point for all future *Noble News* inputs. Noble Ogletree has obtained a Bachelor's in Business Administration from Ashworth College and earned his Master's Degree in Safety and Health with a concentration in Environmental Management from Columbia Southern University. He has been a master mason for 6 years and a Shriner for 5 years. Noble Ogletree is a gifted writer – he is a viable asset to the Alcazar Shrine family. Please join with us in welcoming Noble Chad Ogletree as our new Editor-in-Chief.

We owe a lot of thanks to a lot of outstanding Nobles and Ladies. So, we want to thank all the Bingo workers for their continuous support of the Alcazar Shrine Bingo program. The kitchen is staffed by a unit or group each week and we'd like to extend a warm thank you to each of these fine organizations. They are the Camel Riders, Fire Chiefs, and Daughters of the Nile, Legion of Honor and the Shrine Ladies who work the kitchen. A special thank you is hereby extended to all who make bingo a large success.

We have several upcoming events left this year, and we'd like to encourage the Nobility to come be with us in a strong show of support. We have worked very hard to host some special events this year and the overall attendance has been less than desired. While we have a

continued from previous page

few future events left on the schedule it would be great to see an increased support from our clubs and units. Please make an effort to be with us for the Sportsman's Giveaway, Oktoberfest, the Iron Bowl, the Christmas Party and most of all the Kids Christmas Party on December 4, 2011.

*No man ever stood so tall,
as when he stooped to help a child.*

Please remember to support your Blue Lodge!

Yours in the Faith,
Paul B. Mann, Assistant Rabban

AL SMITH,
HIGH PRIEST & PROPHET

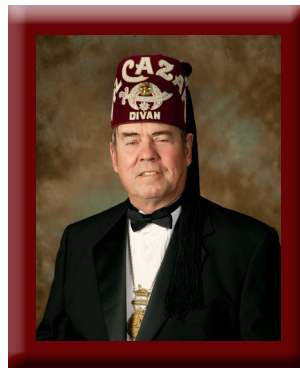

I extend a hardy thanks to each Noble and Lady that purchased Alcazar Circus tickets to become a Circus Dad. Your generosity transformed the hearts and faces of 1200+ that attended the performances. This is what being a Shriner is about. I would like

to thank all the Nobles and Ladies that participated in the Sportsman's Giveaway. If each Noble purchased or sold a book of three tickets, the guns could be paid for. If 100 Nobles sold 2 Sponsorship Packages, a profit of \$ 60,000 would be realized for Alcazar Shrine. Nobles, I extend this challenge to each of you in the years to come. Thanks to each Noble that helped to make Buckmasters a successful sales event for the Sportsman's Giveaway. We are looking forward to the October Ceremonial. It's not too late to bring in a partition. Remember the one plus one program. Thanks for your support for Alcazar Shrine.

Yours in the Faith,
Al Smith, High Priest & Prophet

There will be no
Friday Date Nights for the
remainder of the year.
Please check your calendars.

ERNIE LOLLAR,
ORIENTAL GUIDE
Greetings Nobles,

Fall is soon here and your Shrine Center and Divan have been very busy. The Sock Hop was a lot of fun. We appreciate Noble Rick Boyett for securing the DJ for the Sock Hop. Thank you for all the tube socks. We will send them

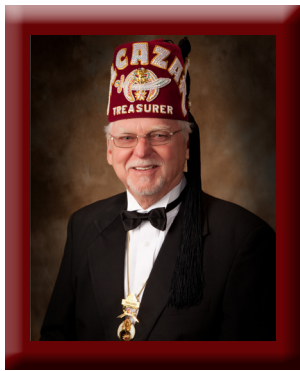

soon to Greenville Shriners' Hospital for Children. They always come in handy for our patients who have casts after surgery. It was good to see those of you who were able to be at the last bi-monthly meeting. The Autauga County Shrine Club's "Shrine Bowl" was very successful. Congratulations Nobles on a job well done. I am sorry I was unable to go to the Peanut Boil in Luverne, but I understand that it was quite successful. These Shriners are hard workers who make this annual project a great success. The Camel Riders had a very successful yard sale on the hill a few weeks ago. I understand that some of the funds may be used to purchase a new commercial stove for the kitchen. Other projects from other areas are also appreciated. It takes all of us to make Alcazar successful.

The Sportsman's Giveaway will soon be here. Many of you have been very active in selling tickets and encouraging others to sell or buy tickets. Many of us worked at the Buckmasters Show. Many tickets were sold over that weekend. Time is running out so if you have tickets and money to turn in don't wait, do it today.

The end of October will be our Oktoberfest celebration. Noble Jimmy Wiggins and his committee have been hard at work for several weeks now. It promises to be an authentic German event. Beer, German music, decorations and food are planned (so I hear).

It will not be long before the holidays. I hope to be able to visit many of the clubs and units before we have our annual meeting and election of officers. So until I see you have a wonderful fall!

Yours in the Faith,
Ernie Lollar, Oriental Guide

JIMMY WIGGINS,
TREASURER

Greeting Nobles,

By the time you receive this newsletter the Sportsman's Giveaway has come and gone. If this fundraiser turns out to be a success, then Alcazar will have had a successful financial

year. This will be good news for the Nobles of Alcazar who have worked diligently in this endeavor. Under this year's leadership, Alcazar has turned around the declining revenue problem. It now looks like Alcazar will not have to use any Temple equity in order to meet the obligations of Alcazar. This makes me very proud as the Treasurer of Alcazar.

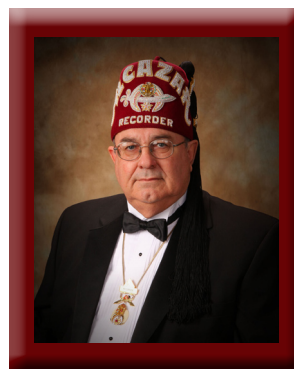

All of the Temple and Clubs insurance policies are now under one major policy, which save costs, and could be an additional saving in the future for Alcazar. The Temple utilities have been reduced in cost by conservation. This year's Potentate has made some bold moves in saving, in regards to reimbursement, of travel expenses for representatives and the Divan. As you can see, this is just a sample of the savings that is going on at Alcazar.

On the revenue side, the rentals are just fantastic this year. Customer-friendly Noble Danny Lockwood has stepped up to the plate and is doing a superb job. The circus revenue this year was impressive, and has the possibility to do even better in the coming years. Our clubs in their fundraisers seem to be doing very well this year, and we trust they will support the Temple in its fundraisers as we go forward. We do need more support from our Nobles in the Temple fundraising activities, like bingo and other functions. I urge every Noble as you attend our bi-monthly meetings to ask questions about your Temple finances.

Each Noble should know how much revenue is needed to operate our Temple, and especially the cost of our Temple operations. Your Temple finance reports are no longer on the EXCEL program, but are reported in the Peachtree accounting system. That means when a deposit of money is made in the bank and recorded, the deposit

flows immediately into the budget. The same applies when a check is written for expense. So at any given time, I can readily explain to any Noble any questions that may arise. I do believe that when a Noble understands the financial position of the Temple and knows how the Temple money is being spent, it becomes much easier to get workers for Temple fundraising activities. As your Treasurer, I have an open door policy to any questions that you may have in regards to our Temple finances, and welcome your response.

Yours in the Faith,
Jimmy Wiggins, Treasurer

For the past several months, Geneva County Shriners have been busy selling tickets for its second gun raffle. On May 3, 2011, the Club held its drawing for a Condor by Stoeger, single trigger over-and-under 20 gage shotgun. Judy Royals of Geneva, Alabama, was the winner. Geneva County Shriners would like to thank everyone who supported the club by purchasing tickets.

Shriners support 29 hospitals in the United States that care for handicapped and burned children at absolutely no cost to their families. Part of this support includes transporting these children and their parents to and from hospitals for surgeries, treatment, and various other appointments. Geneva County is proud to be a part and be able to contribute to this important cause.

For more information on the Shriners Hospitals for Children or if you know a child that could benefit from their services, please leave a message at the Geneva County Shrine Club at (334) 248-6806, email genevashriners@yahoo.com, or contact any Shriner.

In the second photo, Mr. Richard Dennis, the principal of Prattville High School, attempts to get the trophy before the game is played. Sergeant Skip Tallmage, of the Prattville Police department (who is also a Shriner), and Noble Al Reid, Autauga County Shrine Club President, stop Mr. Richard Dennis from taking the trophy early. Prattville High School won the game on September 2, 2011, by a score of 34 to 7, and is now in possession the coveted “2011 Shrine Bowl” trophy, until their next game in 2012.

Pioneering Burn Treatment Saves Teen

All Care and Services are Provided Regardless of the Patients' Ability to Pay

In December 2010, fire broke out in DJ Brown's family home in West Virginia. DJ rushed inside to rescue his sister and the family dogs - unaware they had already escaped.

DJ sustained a 90 percent burn injury, so severe that he was immediately transferred to Shriners Hospitals for Children® — Cincinnati.

DJ Brown, shown with Allison Morgan, Donna McCartney, and Cheryl Dahling.

"In many hospitals and only until recently, children with this extensive of a burn injury would not have survived," said Richard Kagan, M.D., chief of staff.

"Our reputation speaks for itself," said Debbie Harrell, RN, MSN, director of professional relations at the hospital. "We recognize that it is not an easy decision for families to travel to Cincinnati for burn care. We see patients from 22 states, and I can honestly say families are satisfied with their decision to come here for expert pediatric burn care."

Especially important are the support services provided after the burn injury. Together, the experts at the hospital address all aspects of a patient's physical and emotional needs and develop a comprehensive, individualized rehabilitation plan for each child.

Recognizing the importance of support for burn survivors, the hospital is co-hosting the 2011 Phoenix Society's World Burn Congress in Cincinnati. More than 800 burn survivors, their families, and others celebrated the important work done by the Phoenix Society. For more than 30 years, the society has worked with survivors, families, healthcare professionals, the fire industry and donors to support burn recovery, improve the quality of burn care, and prevent burn injuries.

"Survivors are often faced with the challenge of burn scars and a change in their appearance," said Donna McCartney, co-chair for the meeting and a social worker at the hospital. "One of the many messages taken from the gathering is that even though your physical appearance may have changed on the outside, it does not change the person you are on the inside."

If you know a child we can help, please call:
