# MESSAGE FROM THE POTENTATE

Greetings Nobles and Ladies,

I want to start, by asking each of you, to offer a prayer to the RAY FAMILY AND HIGGINS FAMILY. This last month we lost two senior statesmen within our ranks. We lost Ill Sir Flayvous Ray and Noble Charles Higgins. Their memories will remain in our hearts forever. Both were totally dedicated to the Shriners Hospitals for Children, and were leaders of unquestionable character and integrity. Ill Sir Ray, I remember your words of encouragement, your friendship and your smiling face. Charlie, I never could read your writing but you would always stop by my office and read it to me – I love Charlie and remember him tooting his bugle! We will sincerely miss them both.

My term as Potentate is rapid drawing to an end. I have looked back over the year and try to determine, what we could have done better and what we can do, to make it better in the future. Basically, we need to look at the past and prepare for the future of our fraternity. The past can help us only if we learn from our mistakes, if we apply them as “lessons learned.” However, when a Potentate’s term is up it is very difficult to pass on quality “lessons learned.” The next administration is free to make the same mistakes – remember history tends to repeat itself. I will however, make an attempt.

One of our main weaknesses is **participation**. The Alcazar Shrine Clubs are in some cases many miles away from the main temple; our members are getting older; and the cost of gas makes it difficult to travel all the time. So, what can we learn from this? Is this a systemic problem or can it be fixed. Perhaps we need to change the type functions we host and find new and exciting things for the membership to enjoy. In short, do things to interest the membership, to the point, where they will all want to come (**PARTICIPATE**). I am not ready to fold the tent. What can we do to improve the functions? After all, we preach “Fun, Fellowship and Family.” It is difficult to do without the fellows and families being present. I challenge the next Board of Directors to do just that – make activities and meetings more FUN.

Gun shows we do six each year. Wouldn’t it be great for Alcazar to maintain and operate the concessions for these twelve days? We could raise \$10 to \$12K for the temple if we can only get the nobility to volunteer to help these few days. This year (2013) not one penny was raised from these concessions.

Wouldn’t it be great, if when a Shrine club invites the divan, and they would all show up, not just two or three divan members? I challenge the future divan members to do just that – after all leadership starts at the top! If the divan expects you to come (participate) we should be there for you every time you call on us. The divan needs to travel more as a team.

Now for my lessons learned **wish list**: We need a good “**Public Relations Program**.” A definitely need for improvement. If any noble or group of nobles can help us develop a great “**PR Program**,” call the recorder or myself. We need a good **Membership Committee**, after all membership is our number one priority. These are just a few things we can do, to improve the operations of our shrine.

We also, must develop more programs to raise money to support our hospitals – you heard me say it before and I will say it again – “**We are here for the kids!**”

Happy Holidays,  
Paul B. Mann, Potentate

***Fun, Fellowship & Family***

# FROM THE DIVAN

ERNIE LOLLAR, CHIEF RABBAN

Greetings Nobles & Ladies,

It is very good to speak to you once again about the activities of Alcazar Shrine Center. We have now completed 2013's Shrine Gun Give Away with the drawing and Luncheon at The RED FEZ this past Saturday, October 5, 2013. All seemed to enjoy the fun, food and fellowship.

I wish to say "Thanks A-Lot" to Noble AL Williams of the

Wiregrass Shrine Club who went the extra miles and sold "in excess of \$12,000.00 worth of tickets." Look at what an outstanding job Noble Al did supporting this fund raiser "WELL DONE" Noble.

I say also a much deserved "Thanks very much" to the Phenix City "FIREDOGS" for preparing, and serving the delicious lunch, desert, and drinks for this event. This Unit (A new Unit in the Oasis) when asked to provide assistance with a project does not try to come up with "19 reasons that they can't help" but provides you 20 people who can and who do come work very hard for the cause. I am not aiming this comment to be ugly but as my daddy always told me "If the shoe fits tie it on!"

I send out thanks also to Noble Andy Compton and the good folks at Crenshaw County Shrine Club for the generous Contribution of funds for the Temple's Hospital Transportation Fund, General Fund and a \$20,000 check for the Cincinnati Shriners Hospital for children. These funds are greatly appreciated. Thanks for a the wonderful and generous gifts.

Looking ahead, I would like to encourage each of you to join us for our ANNUAL New Year's Eve Dinner Dance at the Mosque, December 31, 2013. Tickets are being sold in the Recorders Office. This will be our first event to begin Celebrating 100 Years of Shrining in Montgomery. Let's get ready to eat, drink and be merry as we welcome in 2014 and our 100th YEAR CELEBRATION. Look at the back page of the **NOBLE for all the details.**

In closing, I want to pay my respects to two fine Shriners' who went to be with our Lord in the last few days. Noble Charles Higgins, who served Alcazar in many ways and exemplified what it meant to be a Shriner. His wisdom will be missed by all of us. Our longtime friend and mentor Illustrious Sir Flayvous Ray

passed away early the morning of October 5, 2013. I had the privilege of serving on his Divan. He was a no nonsense man and if you were chewed out, it was because you deserved it. He taught me a lot about being good for the kids.

Noble Charlie and Ill Sir "BOSS" Flayvous you will be missed. Please remember their families with calls, cards and prayers.

Thanks for your time,  
May God Bless Alcazar Shriners

Yours in the Faith,  
Ernie Lollar, Chief Rabban

JEREMY C. OGLETREE, HIGH PRIEST & PROPHET

I may not be providential to be elected once more to the Board of Director's. Therefore I would like to say publicly it has been my honor and privilege to serve you in the past as your Editor in Chief in 2011, Oriental Guide in 2012, and High Priest and Prophet 2013. I have worked under the direction of three Chief Executive Officers' whom were Flayvous Ray P.P., Stan Smith P.P, and Ill Sir Paul Mann. No matter the cause

or task at hand the Board of Director's agreed to disagree and come out of the board meeting with the good of the order as first precedence.

Our financial reports confirm we had a successful year. This is not the Board of Directors success alone. I'll be the first to add that the board relies heavily on the recorder and treasurer for financial guidance. Allen Daniels, Flayvous Ray, P.P., and Lee Sims, P.P., have worked excellent with the board on our request of financial records. Andy Compton the finance committee chairman has stated in every meeting during closing that they the finance committee appreciates Ill Sir Paul Mann for "*being such a good steward of the money.*"

A major part of our success can be associated to a new noble that has been part of Alcazar for about a year. Chuck Kelly is his name and Temple Rentals is his game. I was fortunate to meet Chuck and hear his story of why he is a Shriner. His story brought tears to my eyes. Chuck is a former Master Gunnery Sergeant who served in the United States Marine Corp. His drive is very high and strong. Give him a task and stand back it will be completed. I pray he continues to share his story of why he is here as a noble. He needs to consider in the future joining the Alcazar Board of Directors moving Divan. We need a person as such with his motivation.

I am not privileged to give awards as the Potentate is honored with such task. However, I am able to use my article for the good of the order. I have traveled clubs and their functions and noticed that we are not as our ancestors were when it comes to being honored a true gentleman. Our generation has no clue how to dress or carry on a decent conversation as it seems. I have seen members wearing tee shirts, flip flops, and holes in blue jeans at our meetings and functions. Their verbal communication was not pleasing to most. We are being observed by future nobles.

I believe that a coat and tie is the respected dress of our order. I believe that proper etiquette should be displayed. I believe that our lives should be in order before making judgment. I believe that we should be faithful to our ladies. I believe that our English should be respectful. I believe that our temple and clubs should look unsurpassed. As this is what a potential noble looks for. If we want to recruit pillars of our community we must change our face. If we don't change our face our respect will be lost within our communities. We need to dress with decency and speak with clean language.

I would like to spotlight two nobles that have a face of our ancestors. They have made an impact on me this past year as your High Priest and Prophet. These two men I know in fact are the definition of noble. A noble is defined as a man that possesses excellent manners and has excellent moral character. I identify these men to be of excellent manners and of excellent moral character. They are high-quality in the way they behave toward others and the actions of their personal affairs. Their lifestyles and etiquette are first-rate.

I consider them as to be true gentleman. I am speaking of Jeff Johnson P.P. of Phenix City and Ronald Pines, 33° of Wiregrass. Gentle is the key word in "gentle" man. Man is the key word in "man" ners. Therefore a true gentleman is to have manners. A gentleman with good manners orders respect in the social order. They are given the respect within our social order as I have witnessed firsthand.

These individuals understand manners as they understand that the world does not revolve around them. They are in touch with reality and recognize that the world is shared. Both are mindful of others. These men are courteous; it is reflected in their speech, actions and behavior. They have strong discipline core values as many have observed. Their temperament is that of soft-natured and their soft words have won many hearts. They have strong admiration for the elderly. They extend their hands to the unfortunate and deprived persons of their community.

Their understanding of being a gentleman with manners is summed up as "A man's manners are a mirror in which he shows his portrait". Their portrait is hanging for all to see.

Yours in the Faith,  
Jeremy C. Ogletree, High Priest & Prophet

The Recorders Office continues to work each day for you, the membership, and the betterment of Alcazar Shriners.

I want to remind you about membership and each of us should continue to seek out good men to join our Order. Each of us needs to find a replacement for ourselves as time continues to take good men from us. If you know a noble that has not paid his

dues and is nearing suspension, please encourage him to get his dues paid immediately. We do not need to suspend any Nobles at the end of the year for non-payment of dues.

You should have received your 2014 dues notices by this time. You will notice a form enclosed that requests information to help us update or Shrine records. Please fill it out and return it along with your 2014 dues payment. This information is very important for us to keep our records up to date.

By this time the annual Gun Giveaway is behind us. I wish to thank everyone that either sold or purchased tickets, making our giveaway a large success. I wish everyone could have been a winner, but to those that were winners, congratulations.

As we begin entering the holiday season the annual parades will be starting. Come support your Shrine and join in on the fun of the parades. Even if you do not have a parade vehicle contact one of the Units that has a unit and see if you can join them for the fun.

In December we will have the Temple Christmas party. Come and enjoy the Season. The Alcazar Children's Christmas party will be held the following day and we need to remember what we work for, the kids. Come to the children's party and support the hospital and transportation programs and the children we help. The children's party is very uplifting watching the kids being greeted by Santa.

Alcazar Shriners annual election of officers is December 13, 2013. It is very important that you attend and vote for those you want to lead Alcazar Shrine for 2014, our 100th anniversary year.

The holiday season, Thanksgiving, Christmas and New Year's will soon be here. Dottie Lou and I wish to take this time to wish each and every one along with your families a wonderful Thanksgiving, a Merry Christmas and a Happy New Year.

Yours in the Faith,  
Lee R. Sims, P.P., Recorder

## Nothing Can Slow Tysheria Down!

Jumping for the rebound, thirteen-year-old Tysheria Henningham looks like every other girl on her middle school's basketball team. She is quick, jumps high, and has lots of team spirit. But one thing sets Tysheria apart from her teammates; she is an amputee. Her mom, Sherry Williams, says, "When Tysheria was born, they didn't hand her to me right away. I knew something wasn't right. One of Tysheria's feet was deformed." Doctors believe in the womb, Tysheria's umbilical cord became wrapped around her right foot, stopping circulation and causing the foot to become misshapen. Seeking expert pediatric orthopaedic care for her daughter, Sherry brought Tysheria to Shriners Hospitals for Children — Greenville. Orthopaedic surgeons at the hospital recommended amputating Tysheria's foot. "It was the hardest decision I've ever had to make," Sherry says, "Even though Tysheria could walk, doctors explained that as she grew, her right foot would become increasingly deformed. This would inevitably leave Tysheria unable to walk." At eighteen months old, pediatric orthopaedic surgeons at the Greenville Shriners Hospital amputated her foot. As most young children do, Tysheria immediately adapted to her new prosthetic leg and did not let it slow her down. Throughout her childhood, she ran, played basketball and softball, swam, and danced.

Reluctant to let anything stop her, when Tysheria began having pain in her right knee she did not want her teammates and coaches to find out. Eventually, her knee began popping out of place.

After a round of physical therapy failed to help, doctors at the Greenville Shriners Hospital recommended surgery. Tysheria agreed to the surgery, only if doctors would wait until after her basketball season was over. Just weeks after the season ended, orthopaedic surgeon Whitney Gibson, D.O., performed a right knee arthroscopy and reconstructed some of the ligaments around her knee.

For now, Tysheria is going to work on rehabbing her knee, staying in shape, and then going out for her school's basketball and softball teams next year. Tysheria's mom sums up her daughter's perseverance best, "Nothing's going to stop this child. She'll do anything if you let her."

## CRENSHAW COUNTY SHRINE CLUB

The 2013 Crenshaw County Shrine Club Peanut Boil was a tremendous success. Thanks to the Crenshaw County Shrine Club members, ladies and four special Shriners, who came all the way from South Carolina to assist in the Peanut Boil. The four members from South Carolina are:

1. Phil Waters
2. Paul Patterson
3. David Phillips
4. Joe Waters

The Shrine Club receives the peanuts via a 18 wheel trailer; off-loads 23 tons of peanuts; boils them in five large vats for 3 to 3 ½ hours; dry roast some peanuts; bags them for sale; and sells them to the general public over the Labor Day weekend. This is no easy task and requires lots of planning and plain hard work. We congratulate the Crenshaw County Shrine Club for a job well done!
