MESSAGE FROM THE POTENTATE

Alcazar Shriners
1914-2014
"100 Years of Alcazar"
"Honoring Our Past While Rolling into the Future"

Greetings Nobles,

What a wonderful time we had Friday Night January 10, 2014, as we completed the elections and installation of the Divan and then joined together to enjoy a very nice reception provided by the Alcazar Ladies. Ladies you out did yourselves. We (your Divan) are humbled and grateful for the confidence placed in each of us by you the Nobility. We pledge to always be transparent in all we do and always uphold the integrity of ALCAZAR. I want to congratulate your 2014 Divan:

Rick Boyett, Chief Rabban
Andy Compton, Assistant Rabban
Al Smith, High Priest and Prophet
Greg Moore, Oriental Guide
Lee Sims, P.P., Recorder
Allen Daniels, Treasurer

This entire Divan is known throughout the oasis and I hope you feel as I do that the strength of this leadership team is undisputable. I am sure each of them will tackle the tasks asked of them to the best of their ability. By the time you read this, the divan will have had their first meeting and be off on the road to many projects for the betterment of Alcazar. I want to encourage all of you to participate in all of the fundraisers we have this year and most especially all the fun activities we have planned for the "Celebration of 100 Years of Alcazar." We need and want all of you Nobles and Ladies to come and be a part of this year long party. We anticipate having a number of dignitaries at special events but no one is more important than each of you. All of you make Alcazar who we are.

Our Recorder and Treasurer have been already at work renting our facilities. Our calendar has many dates filled with rentals which provide income for the daily operations of the Temple. I thank you Lee and Allen for being so diligent in this endeavor.

A list of upcoming events is included in this **Newsletter**. Please read and mark your calendar so you can come and join in all the fun. In case you might forget I have reinstated the call out system we had previously used. This is a great reminder for things going on at the Temple and also when we need to get messages out for various reasons to all the Nobility in a quick manner.

As I close, I would like to say thank you for the trust that every member placed in me when they used their God given right to cast a ballot and voted for me. By this election you have challenged me to lead Alcazar into its "100 year Extravaganza." I along with the leadership team you have chosen take this task seriously. We are excited about the events and activities we will have this year. As we travel throughout the oasis, the membership is expressing their excitement and anticipation of beginning a new century of Alcazar in Central Alabama. Our theme "Honoring Our Past While Rolling into the Future" expresses what we wish to display throughout the year.

Yours in the Faith,
Ernie Lollar, Potentate

FROM THE DIVAN

GREG MOORE, ORIENTAL GUIDE

RICK BOYETT, CHIEF RABBAN

Greetings Nobles & Ladies,

In 2014, we start our second century of Alcazar. We are battered and bruised but we are still standing. In 1914 the movers and shakers of Montgomery were Masons and Alcazar Shriners and we had respect. That was before the hospitals and the kids. What we had then was fellowship, friendship, and just plain pride. Look at how much more we

have today. We have 22 hospitals, transportation for the children and soon we will be treating the wounded warriors. However, let's not lose sight of the fellowship, friendship, and most importantly the pride of being an Alcazar Shriner. Let us reflect on the past, but envision the future. Let us honor the thousands of Alcazar Shriners that have gone before us and let us light the pathway for the thousands that will come after us. We are the Nobles and Ladies of Alcazar Shrine – Stand Proud!

Yours in the Faith,
Rick Boyett, Chief Rabban

AL SMITH, HIGH PRIEST & PROPHET

I would like to extend a word of THANKS to each of the Nobles of Alcazar, for your support this year. Lady Billie Sue and I look forward to working with each of you the next few years. I am excited to be elected High Priest and Prophet this year, and work tirelessly for the betterment of Alcazar Shrine. My main goals will be to increase membership and placing kids first! Thanks

so much for allowing me to serve our great Shrine.

Yours in the Faith,
Al Smith, High Priest & Prophet

Hello Nobles one and all. My name is Greg Moore and I am your new Oriental Guide for 2014. I have been a Shriner for 32 years, but a member of the shrine family for much longer. I was raised as a Shriners son, and a son of a Potentate. My father was PP Bobby D. Moore. During his time on the Divan and a couple of years prior my family traveled with him as he pursued the election to the Divan. My formidable years were the life of a Shriner. There were many times during these travels where all of the children associated with the Divan were together every other weekend or so it seemed. My brothers and I developed friendships with these children and sometimes even dated these Shriners kids. My father instilled the fact that my actions reflected on him and the temple, and made sure I acted accordingly, (as a Shriner should). My wife (Sissy) and I have instilled these same values into our daughter as she grew, (I thank God she is a daughter I am very proud of), never any trouble, and who's biggest involvement has been in school and church.

Times have changed indeed over the years, but our actions, and the actions of our children still reflect on everyone. We, as "Phenix City Shrine children" went on many trips to six flags every summer. This kept families involved and I believe this is very important. If you do not have something for the Shriners children/grandchildren to do, the new Shriners will move on to another organization that does. 100 years ago there were a limited number of organizations, so we flourished. Now with so many activities for family involvement we must compete with, we should look at getting family functions reactivated. With trips to things like six flags for children/grandchildren, shopping trips, dinner trips, show trips, etc... Anyone with feasible ideas, feel free to contact me for consideration. Remember this is your temple and we need your ideas. The Divan is but a few minds, but with your help we can have many more ideas.

Thank you for allowing me to serve as your Oriental Guide and I hope I/we can inspire a new upswing of participation be it from older members or new ones. All ideas and opinions are appreciated.

Yours in the Faith,
Greg Moore, Oriental Guide

LEE R. SIMS, P.P., RECORDER

Greetings Nobles,

I would like to thank each of you for having trust in my efforts as your Recorder for 2014. I will continue to keep your Temple office running smoothly, and efficiently, maintaining the integrity of our Temple and Shriners International.

As I have said in the past, please get behind your new Divan officers and support them.

In 2013 Alcazar had a good year. With the leadership of Ill. Sir Paul Mann we had a positive year of membership, got a lot of things accomplished and saved some money.

The upcoming year under the leadership of Ill. Sir Ernie Lollar looks as it will be exciting with many activities planned and the celebration of Alcazar's 100th anniversary. There should be many things going on with the anniversary celebration and all Nobles should plan to be a part of it. Remember, the 100th anniversary only comes once. Don't be left out.

If you know a Noble that has not paid his 2014 dues, please encourage him to get them paid. We just had to suspend 40 good Nobles for nonpayment of dues and we do not want this to happen at the end of 2014.

Remember, our children are our guiding light. Kids first!

Yours in the Faith,
Lee R. Sims, P.P., Recorder

Hello to all of you Ladies,

It is great to be writing this article to all of you. I appreciate Lady Dottie Lou Sims for her leadership over the past few months and the hard work that all of you ladies have done. You are so valuable to Alcazar. At the December meeting it was decided that a grill for the kitchen and racks would be purchased with the funds raised this past year. As you who were at the meeting on January 10 know the grill is here and installed. Unfortunately, the rack order was not filled to our specifications at the original price so Dottie is still trying to get this matter resolved. We will keep you all posted regarding this as soon as we know.

Ladies' Corner

The installation was very nice. Congratulations to the new Divan and to my Noble Ernie for being elected to this high place of service to Alcazar Shriners. Ernie and I have had many conversations over the past few months regarding the responsibility of leading the Temple into its

second century. We are humbled and proud to undertake this leadership role but look forward to all of us working together to celebrate "100 Years of Alcazar".

Our first event will be the Sweetheart Dinner Dance on February 8, 2014. That night we will crown the third annual "Sweetheart of Alcazar." Our 2013 Sweetheart Lady Sissy Moore will pass her crown to her successor that night. We know that this is a few days before Valentine's Day but due to the Mid-Winter conferences in Pensacola which require some of the Divan to be away, we will celebrate a few days earlier. Ladies this way we can have a week of Valentine Day celebrating. Chief Rabban Rick and Lady Cheryl will be leading the preparations for this event.

On March 15, 2014 we will have a "Luck of the Irish" event. Come kiss the Blarney Stone and see if you can find a Shamrock to wish upon. This will be a St. Patrick's Day happening with a twist. I am sure we will have a great time. We are calling it St Patrick's Day with a Twist!!!" Sombreros, Chapeaus and Top Hats!!! This will be a joint fundraiser with Al Phurah Temple DON.

Please remember these events and come spend time with us working for Alcazar.

I look forward to working with all of you,

Until Next time,
Debbie, First Lady

Due to the success in 2013, we will once again, implement the Alcazar Shriners Amnesty Program for 2014. It will run from now until December 31, 2014. Each reinstated Shriner will be permitted to obtain their 2014 dues card and be reinstated for \$77.00. This is a onetime good deal, so if you know a good Shriner, who has gone suspended, for non-payment of dues please let him know about the Alcazar Shrine 2014 Amnesty Program. For more information about this program, please contact Illustrious Sir Lee Sims, P.P., Recorder at 334-279-9174.

'ONE PLUS ONE' PROGRAM

Help us support the Alcazar "One Plus One Program." This program respectfully request each and every member of Alcazar to actively recruit two new members [one for replacement + one for growth]. We are asking each member to make an effort, to be a "top line" signer on two or more petitions. The overall purpose of the program is to increase Alcazar membership. By attending Blue Lodge frequently, we can attract and recruit quality candidates by informing them what Shriners do to help children at the Shrine Hospitals. This sounds fairly simple, but to make it work, we must all work together.

THINGS THAT MATTER

With Lee Lawrence

Using a Living Trust to Manage Your Estate When You can't:
A Revocable Living Trust is an estate-planning document that allows your assets to be managed and distributed in the manner you desire, both during your lifetime and upon your death. It is referred to as a 'living' trust because it is established during your lifetime and, in most cases, goes into effect immediately. It is a 'revocable' trust because you are free to revoke or amend the trust at any time as your circumstances change.

One of the most significant advantages of a Revocable Living Trust is that it can be designed to manage your assets for you in the event you become disabled or incapacitated. While other estate planning tools, such as durable power of attorney, can be used to provide wealth management in the event of a disability, none is more flexible than the Living Trust.

You can create a trust today to provide money management in the event of a disability. However, your assets are not transferred to the trust unless you are or become disabled. At the time a person becomes incapacitated, their Disability Trustee can manage assets held in the name of a Living Trust instead of a court-supervised guardian or conservator.

In the Revocable Living Trust, you can specify under what circumstances a successor trustee takes over management of the Trust; this is usually when the person who created the Trust becomes incapacitated. You can spell out in the Trust how incapacity must be established. Typically, a determination of incapacity requires one or two letters from a physician. Once incapacity is established, the successor trustee who has been named by you in the Trust can take over management of the assets. Here are some tips for setting up a living trust for this purpose.

Provide specific instructions about your care - the Revocable

continued on next page

Living Trust is flexible and can be tailored to your specific needs, desires, and financial resources. Specific instructions about care and comfort are particularly important when the successor trustee is an institution (bank or trust company) or when a family member is very busy or geographically remote.

Select your successor trustee carefully - Your successor trustee should be someone who is trustworthy, responsible with investments, good with paperwork, and preferably a good communicator. This can be an adult child, other relatives, a friend, or professional fiduciary.

Check your current living trust - if you already have a Revocable Living Trust in place, you should check with your estate planning attorney to insure that it contains the proper language to take care of you and your property if you become mentally incapacitated.

Please don't hesitate to give us a call if you need help with your estate planning needs.

***** FUND RAISING ACTIVITIES *****

**Extract from General Order No. 1 --
All Nobles must follow this guidance!**

It is natural to associate the fez with Shriners Hospitals for Children. Because of this, meticulous attention must be given to all fundraising activities, including circuses, to make certain that such activities comply with the law of the land and that a contributor is not let to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

335.3 USE OF NAME "SHRINERS HOSPITALS FOR CHILDREN." The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any fundraising activity by a temple or Noble without the written consent of the Imperial Potentate and the chairman of the board of trustees of the Hospitals is prohibited.

503.11 COMMERCIAL USE OF NAME. The use of the name "Shriners Hospitals for Children" or reference to the hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the boards of directors and trustees has been first obtained.

1. Fundraising for Fraternal Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fundraising activity

without the express written consent of the potentate of the temple having jurisdiction thereof.

(b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children.

(c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with 335.3 and 503.11 of the fraternal and charitable bylaws.

(d) The temple potentate must approve the terms and provisions of any contract for a fundraising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.

(e) A copy of the temple potentate's written consent shall be mailed to the Executive Vice President, Shriners International. Further, such written material pertaining to the fundraising activity, as required by the Executive Vice President, Shriners International shall be promptly mailed to him.

2. Fundraising for Charitable Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children. Permission therefor must first be obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the chairman of the boards of directors and trustees. This request for written permission shall be sent to the Executive Vice President, Shriners International, P.O. Box 31356, Tampa, FL 33631. No charitable fundraising activity shall be held in the jurisdiction of another temple without the written permission of the potentate of that temple.

(1) A joint charitable fundraising activity with another 501(c)(3) charity may be authorized, provided that a minimum of 50% of the net proceeds are for the benefit of Shriners Hospitals for Children, and the chairman of the boards of directors and trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.

(2) A charitable fundraising activity conducted by a temple located outside the U.S.A. may be authorized for other charities, provided that the chairman of the boards of directors and trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.

(b) 100% of the net proceeds (as defined in the Charitable Fundraising—Approval and Reporting provisions of this General Order) from charitable fundraising must be given to Shriners Hospitals for Children except for such portion thereof as may be permitted to be retained for the temple Shrine Hospital Patient Transportation Fund, pursuant to the Special Purpose Funds provision of any General Order. Provided, however, if the chairman of the boards of directors and trustees determine for good cause shown, that the law of the land requires that a portion of the net proceeds must be distributed locally, then they may, if they determine it to be in the best interest of Shriners Hospitals for Children, grant their written permission for such distribution.

(c) The temple shall report the results of each charitable fundraising activity within sixty days of the activity, pursuant to the Charitable Fundraising—Approval and Reporting provisions of any General Order.

(d) This section shall not apply to activities exempt under 335.4(b) of the bylaws of Shriners International.

(e) Each independent corporation or entity that receives the permission of the chairman of the boards of directors and trustees to raise moneys for Shriners Hospitals for Children, and which does not have its financial statements reviewed pursuant to 334.6 & 337.8 of the bylaws of Shriners International, shall have its financial statements audited by a certified, chartered or licensed public accountant and shall submit such audit report to Shriners International within 120 days of the activity.

3. Statement of Purpose and Disclosure:

(a) Every fundraising activity must contain factual information on its solicitation material, tickets programs and documents, including all electronically transmitted material, regarding the use of the proceeds.

Examples:

“Proceeds are for the benefit of (_____) Shriners
(_____) shrine club) activities.”

“Proceeds are for the benefit of Shriners Hospitals for
Children.”

(b) Every fundraising activity which is not entirely for the benefit of Shriners Hospitals for Children shall prominently state on all solicitation material, including ticket, programs, documents and electronically transmitted material, that “payments are not deductible as charitable contributions.”

(c) There must be compliance with the Revenue Act of 1987 provision of any general order by U.S. temples.

4. Compliance with Applicable Laws:

It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple’s fundraising activities.

5. Financial Records:

(a) The temple shall maintain detailed financial records pertaining to all fundraising activities involving Nobles, clubs, units, organizations of Nobles and affiliated and appendant corporations. Details of all revenues and expenditures shall be maintained in such financial records.

(b) The temple must retain such detailed financial records for a period of seven (7) years.

(c) There must be compliance with Financial Reporting on Charitable Funds and Activities provision of any general order.
