RECORDERS MESSAGE

Nobles,

As the new year begins I hope that everyone and their family had a wonderful Christmas and a very happy and safe New Year.

With the start of a new year in life as well as a new year at Alcazar with new leadership elected, I sincerely hope that

every Noble will support the Potentate and every member of our Divan. If we are all pulling in the same direction we can make things happen and have a prosperous year.

When we pull against each other nothing gets done. Remember we are here for and working for our kids. Kids first.

Prior to the start of our December meeting I made available a listing of the Nobles that are delinquent in their dues and are in a posture to be suspended this year. With the suspension of these Nobles it will cause our total membership to fall into the 800's. I request that you review this list and if you know any of these Nobles, contact them and get them to pay their dues. I am sure that in many cases it is an oversight on the Nobles part. If you become aware of any hardship cases please contact me in the office and let us help a Brother. We do not need to lose members for any reason, much less for nonpayment of dues and particularly those we can help.

Remember, get behind your new Officers and let's make this a prosperous year for the kids.

Yours in the Faith
